

Safer than Salt®

PREMIUM PERFORMANCE ICE MELTER

Unique formulation outperforms other ice melters.

Safer than Salt® Premium Performance Ice Melter is a proprietary formulation of powerful ice melting ingredients. **Tests have proven that Safer than Salt® Premium will melt more than twice as much snow and ice as most other products in the marketplace.** It works faster and at temperatures when many other products have stopped working.

Safer than Salt® Premium Performance Ice Melter is formulated to be seen when used. Most “white” ice melt products disappear into snow and ice. Users tend to over-apply, or worse, under-apply product because they can’t see where it lands. Additionally, in today’s litigation-driven society, Safer than Salt® Premium Performance Ice Melter affords users positive proof that an ice melter is in use.

Because Safer than Salt® Premium Performance Ice Melter melts more effectively than other products, a smaller quantity is needed to remove snow and ice, minimizing the environmental impact on grounds and vegetation.
